Each week an email will go out via Tadpoles welcoming you to the new week of camp, assigning your child's camp group, announcing which teachers are working that week, and providing details on any special activities or materials needed. (such as if there is a guest speaker/activity or if ice cream truck \$ is needed, or a certain dress up day, or dress for water play, etc).

Please remember to sign up in advance if early care/after care/or school lunch are needed. We can be extremely flexible about these things during the school year, but our summer staff is much smaller and we must know how many children to plan for in advance.

There is more in and out of staff and students during the summer with vacations and such. Allergies are documented in advance in Tadpoles, but please allergy parents, take a moment to be sure your child's medications are on site and up to date. Offer reminders to staff with each new camp week so we all stay on the same page.

School is closed August 5-9 while we work to get everything prepared for the new school year. Open House/Meet the Teacher will be Thursday, August 8, 9:00-12:00. Thank you!
